Henok Binayew

Frontend Web Developer | Skilled in HTML, CSS, Bootstrap, JavaScript, React & Git/GitHub | Crafting Responsive Web Solutions with a Design-Driven Approach

Adama, Oromia Region, Ethiopia

Summary

Are you looking for a meticulous and inventive front-end developer? That's me! I'm here to turn your web visions into reality. Click to see how!

With a solid background in my family business in Adama, Ethiopia, I have mastered the art of creating user-friendly and visually impactful websites. Proficient in HTML, CSS, Bootstrap, JavaScript, React, and UI/UX design, I excel at transforming complex requirements into seamless digital experiences. My expertise in version control with Git and GitHub ensures efficient collaboration and project management.

Currently pursuing a Bachelor's Degree at Adama Science and Technology University, I am a lifelong learner committed to enhancing my skills and staying updated with industry trends.

Feel free to connect or message me to discuss how I can bring your web projects to life!

Experience

Family Business

Front End Developer

January 2023 - Present (1 year 10 months)

Utilized HTML, CSS, and JavaScript to create visually appealing and responsive web Pages that met client requirements.

Coded using HTML, CSS, and JavaScript to develop features for both mobile and Desktop platforms.

Produced websites compatible with multiple browsers.

Worked closely with UX/UI designers to translate their designs into functional web Applications.
